Remembering our Kiwanis Legacy - 10/31/2018
Submitted by: David Harms

This is the second month of a New Kiwanis Year. I have had the opportunity to visit two divisions for Governor’s day, and am amazed at the enthusiasm I see for Kiwanis. Thank you for the warm welcomes and for sharing the great works that you are doing in your Kiwanis Communities.

I want to talk this month about our team education. As you make your official visits in the district, I ask that the Lt Governors pay close attention to feedback, encourage your presidents to Listen, and Create a list of things you hear from members that you could include in new educational opportunities at your midyear conference. Ask yourself - are there new ways to educate your leaders and members?

While we make the most of our education, let’s also make the most of our service projects. I am asking at the request of our International president to take a hard look at your clubs and how their communities are being served. Make Kiwanis One Day part of your conversation and offer suggestions so clubs can elevate the impact of their service.

Remember that we all have a mission to ensure the future of Kiwanis and keep our youth inspired and involved through that mission keeping the mantra of the Kiwanis objectives always before us.

We may never know who or how we helped someone realize their potential, and that is the beauty of altruistic giving. Our mission is great and our task difficult at times, but that should serve as an encouragement to continue in it.

We still need members to carry on our dreams for our youth, and we still need to recognize that membership is not just the responsibility of the membership committees, it is the responsibility of every Kiwanis member. We can do this together for a better world tomorrow, and the best tool to use is the tool to ask. We are the teachers of our youth.

I’d like to leave a saying with you that I heard long ago, but don’t know who to attribute it to. "It is not the words you use but how you made someone feel that will be remembered." Let us make it our goal that every child knows what it means to have the support of a Kiwanis Club in their community.
November Update - 10/31/2018

Directory of Club Presidents and Secretaries: I will soon email all club secretaries a directory of all club presidents and secretaries in the district. If you would like a copy contact your club secretary, or send me an email and I will email it to you. The club directory is not posted on the district website, but is available upon request for Kiwanis related purposes. The best place to find meeting times and locations is on the Kiwanis International Club Locator [http://locator.kiwanis.org/FindAClub](http://locator.kiwanis.org/FindAClub)

Monthly Club Reporting: Special thanks to the club secretaries for their excellent monthly reporting this past year. The information submitted is very valuable. Monthly Reports are submitted online by the 10th of each following month. Remember that this is not just the Club Secretary’s job. A club secretary needs information to report, so keep them informed of your committee activities, etc.

The reporting program allows the club secretary to automatically send a preview of the monthly club report by email to the president, board members and others before submission. I would highly encourage you to do this. You may catch things that are not getting reported. The reporting program also allows the secretary to email the final monthly report to anyone in your club.

If your club completed all 12 of your monthly reports you do not need to complete a separate annual report. The Annual Report for each club will be automatically generated from the online monthly reports.

Dues: I often get asked how the Kiwanis International and District dues break down on a yearly basis. They remain the same again this year: International dues = $52.00 Liability Insurance = $13.00 Club Directors and Officers Liability Insurance= $4.00
I would like to highlight two of the Kiwanis Partners that can benefit both members and clubs in the Minnesota-Dakotas Kiwanis District.

Clubs and districts can access preferred rates and amenities from various Hilton properties around the globe. Kiwanis members also receive special member incentives for becoming a Hilton Honors rewards member. As a member of Kiwanis International, you can earn Hilton Honors Gold status in just 5 stays within 90 days of registration!

When Kiwanis clubs plan a service project, Kiwanis Warehouse is an important resource for discounts and buying power. Operated by our partner, DollarDays, this premier online wholesale distributor is a secret weapon for Kiwanis clubs looking for the kind of insider access typically available only to large enterprises. Kiwanis Warehouse offers more than 265,000 high-quality goods at wholesale and bulk prices, sold in
small cases. The minimum order is only a case, giving even the smallest clubs the opportunity to purchase products well below retail. Kiwanis Warehouse’s inexpensive selection of quality wholesale merchandise is impressive. Your club can find the exact products you need, including backpacks, school supplies, socks, flip-flops, toothpaste, fleece blankets, and health and beauty products to support your community service projects and outreach programs.

Kiwanis clubs get free shipping on all orders, regardless of the order’s size. Members also get a dedicated account manager to help with product selection, site navigation, order placement, tracking, and product information.

See how partnerships make service easier, increase your club’s purchasing power and even result in benefits and rewards for members. [https://www.kiwanis.org/about/partners](https://www.kiwanis.org/about/partners)

**K-Kids are on the move - 10/29/2018**

*Submitted by: Theresa Looby*

Congratulations to the Advisor and members of our new K-Kids Club at Skyview Elementary School in Oakdale, Minnesota.

On October 16, 2018, Sandy Brown and her K-Kids met to organize and begin serving the Community. At this meeting the children made UNICEF trick or treat cups while learning about the cause and work of UNICEF. They will meet again October 30, 2018, to continue working on their project. Currently, they are completing the Application for Charter and are looking forward to a year of learning and serving. CONGRATULATIONS Sandy and K-Kids!!

Sturgis Elementary K-Kids have begun their Signature Project for the fall semester. They are busy collecting pet food and pet products for the local Animal Shelter. They will deliver the products to the Animal Shelter on November 14, 2018, and enjoy playing with the animals.

As this Kiwanis year progresses we hope to have 3 more K-Kids Clubs in the MinnDak District. There are Clubs in the planning stage and we are hopeful they will Charter later this year.

I want to continue to feature the various K-Kids Clubs and their work in the community. It is important for children to learn how communities are being served by their peers. Therefore, please send stories about your K-kids and I will feature them each month.
Thank you to our youngest Kiwanians and their advisors for their service in each community.

All You Need Is Love - 10/29/2018
Submitted by: Nancy Cornell Builders Club Administrator

That's right. All You need is love to consider sponsoring a Builders Club- love of youth and love of service. We all know the phrase "Kids Need Kiwanis" and that includes kids ages 12-14. Help give this age group opportunities for service. Do it today. Go to www.buildersclub.org.

For Builders Clubs that participated in Trick or Treat for UNICEF, send your donations by December to the Kiwanis Children’s Fund, along with the donation form that can be found on the Builders Club website. If your club submits $250.00, they will receive a banner patch. Trick or Treat donations go toward the Eliminate Project.

An Opportunity to Develop Future Service Leaders - 10/29/2018
Submitted by: Lowell Disrud

The function of the Minnesota-Dakotas Kiwanis Educational Foundation is to provide scholarship funds to graduating High School seniors from the Minnesota-Dakotas Kiwanis District. Therefore, the Kiwanis Educational Foundation offers an on-going youth service project for every club.

Each Kiwanis Club in the District is asked to give at least a $100.00 donation annually to the scholarship fund through the Century Club donation process. This annual donation can be taken from your clubs Service funds or Administrative funds whichever is most convenient.

Thank you to the many clubs that have faithfully made their annual contribution to the Foundation and make it a line item in their annual budget. If your club has not yet made its contribution for the 2017-2018 year now would be a great time to do so. A meaningful way to honor your outgoing
president or other dedicated member is to present them with a Vantine Life Fellowship by donating $100.00 to the foundation in their name. Your contribution can be sent to:
Educational Foundation Minnesota-Dakotas Kiwanis District
Attention: Jack Zierdt, Secretary
914 Southern Pine Ln SW Rochester, Minnesota 55902
Please include a note identifying your club or member receiving the Vantine Fellowship.

We are jumping into the new. 103 years of KIWANIS service!

I have heard from several clubs that are sending gift boxes to underprivileged children in their areas. Good work. In my home club of Watertown we are taking gift boxes again this year to the St Fancies Mission school on the Rosebud Reservation. The IC Catholic Church grade school is also providing boxes. We will pick some up at Chamberlin Kiwanis on our way out. Keep helping the children.

I have heard that several clubs are looking at putting new Scholastic Oasises in grade schools in their towns. Besides Scholastic, look at connecting with Books 4 Kids Director Coleen Liebsch at 605-783-7714 to help with books.

Several Kiwanians and I would like to promote education for children in the school systems about Child Trafficking. We need to educate our youth on what to look for as bad people are hunting them and encouraging them to follow them. We also need to teach children how to protect themselves.

Keep up the good work Kiwanians. Together we will make a difference for our youth.

**Children's Fund and more - 10/27/2018**

*Submitted by: Kathy Welle*
Happy Kiwanis New Year!!
Here’s hoping you all have your 2018-19 Budget approved to include a line item to support the Children’s Fund. & “K” Dollars Challenge!!

• As a Kiwanian, you make a difference in the lives of children in your community, all over the world, and through your support of the Kiwanis Children’s Fund. Thank you.
• For 79 years, the Kiwanis Children’s Fund has been a trusted partner for the Kiwanis family. We harness the collective impact of Kiwanians all over the world to make a difference for kids who need us.
• Together, we help Kiwanians make a difference in their community and communities around the world through the five Kiwanis causes:
  ◦ Disaster Relief: When disaster strikes, your support ensures the Kiwanis family can respond by providing clothing, hygiene kits, and food to communities around the globe.
  ◦ Service Leadership Programs: You are helping build a generation of leaders and service volunteers of every age and ability – from elementary school students to adults with disabilities. Forty percent of funds go directly to our Service Leadership Programs.
  ◦ Club and District Service Projects: Your gift helps your district and other clubs fulfill the unmet needs of children in their communities. From backpack programs to a Key Leader weekend for refugees to summer camps for children living in poverty, children’s lives are changed through your service. For every dollar your district donates to the Kiwanis Children’s Fund, 15% is given back in the form of a district grant.
    ◦ (District Grant for 2017-18 of $5000.00 plus was used for additional Scholarship Awards via our District Education Foundation)
  ◦ Iodine Deficiency Disorders: Kiwanis saw a mental health problem that could be cured, so we did it. Your support ensures we can sustain our efforts. Within the last year, you helped grant $340,000 to Cambodia to help maintain their progress.
  ◦ The Eliminate Project: Together, we are eliminating a painful, preventable disease that kills thousands of mothers and babies around the world. Since 1987, the infant mortality rate related to neonatal tetanus has decreased 96 percent. This past summer, Kenya was eliminated leaving 14 countries still at risk. We’ve raised almost $84 million to date.
• In addition to raising money and awarding grants, the Children’s Fund provides services to donors and resources to Kiwanis members, clubs and districts.
• Minnesota-Dakotas District Giving Report as of 9/24/18 = $28,265 Compared to 2016-17 = $39,849
Dennis Benson of Willmar has received the 2018 Kiwanis Touch A Life Award

Dennis has a passionate love of the arts and is involved in several arts organizations throughout the Willmar community. Many have seen his awe-inspiring photography at various locations such as LuLu Beans, Applebees and Willmar Education and Arts Center. You may have also heard his delightful talent through the fine tuning of pianos as well as conducting and playing opportunities at Refuge Church, Prairie Winds Concert Band, the Willmar Area Symphonic Orchestra and musicals at the Barn Theatre.

Dennis was honored at the 41st Annual Willmar Kiwanis Club Touch A Life award recognition dinner on October 18, 2018 at the Barn Theatre. Dennis was honored by the Kiwanis Club and to his surprise, his family. His wife Darlene, three children, spouses and grandchildren were in attendance, however the list didn’t end there as Dennis’s brother and his family were in attendance along with Dennis’s mother, Dorothy. Dennis was planning to attend a Kiwanis event and volunteer to take pictures only to find himself being the guest of honor.

As the night progressed, a couple things echoed as Dennis and his family spoke kind words. Dennis has always been a family man. He prides himself in being able to share his talents with those around him and to know that what he does, is out of the goodness of his heart with no thanks in return. He is also a man of many talents. Many may know that his camera may appear to be another appendage outside of his two arms as he never leaves home without his camera. He can be found photographing events such as parades, sporting events or concerts. However his resume doesn’t end there as he judges Kandiyohi County Fair talents as well as middle school performances, archiving the various events for generations to review for years to come.

The Willmar Kiwanis “Touch a Life” Award has been honoring citizens since 1978 with an award to be given each year to a resident of Kandiyohi County for donating their time, talent, ability and service as a volunteer to our community, above and beyond the ordinary. Nominations are solicited through Kiwanis members themselves and the community at large. Applications are reviewed and voted on by the Nominating Committee which consists of the three past presidents and the current officers.

Dennis and his wife, Darlene, live in Willmar and have three grown children: Heidi, Mark and Brian.
Lake Agassiz Kiwanis Help Keep Fargo Clean - 10/26/2018  
*Club: Lake Agassiz, Fargo - Submitted by: Kristi Engelstad*

Members of the Lake Agassiz Kiwanis Club in Fargo, ND spent a nice fall afternoon cleaning up a section of road in south Fargo. The club has worked with the city of Fargo for over 10 years to keep their stretch of road clean. LAK members meet in the spring and the fall to walk both sides of the road and pick up garbage. There have been quite a few very "interesting" things found in over 10 years of picking up trash!

Members of the Lake Agassiz Kiwanis and their family members were thankful to spend the evening together enjoying a RedHawks baseball game. Club members are thankful to the businesses that donated their suites so they could enjoy the game in a relaxed, comfortable room!

Worthington breaks ground on splash pad - 10/25/2018  
*Club: Worthington - Submitted by: Worthington Kiwanis*

WORTHINGTON — Construction of Worthington’s splash pad is officially underway. 
More than 40 community members gathered Tuesday at the construction site in Centennial Park to celebrate the groundbreaking of the project, which was spearheaded with vigorous support from Worthington organizations. Worthington Noon Kiwanis started the push for a splash pad, raising more than $40,000 at the annual Deep Freeze Dip in January. With a $50,000 grant
from the Worthington Regional Health Care Foundation and additional contributions, the community raised $112,272.27 toward the project. The remaining $377,682 cost will be paid for with funds from the city of Worthington’s Community Growth Fund, which was established by the Worthington City Council with $2.5 million in hospital sale proceeds in November.

“Everyone in the community came together — the health care foundation, Noon Kiwanis, Chad Cummings and the radio station and all of the other organizations that helped out,” Mayor Mike Kuhle said Tuesday. “I think people are going to use the heck out of it … and it’s free! This is such a great amenity for our community.” The city expects Edgerton contractor Hulstein Excavating to have the project done by April 2019. The 4,950-square-foot splash pad will feature a wet zone of 3,550 square feet, along with more than 30 different water features, including fountains, geysers, jetstreams and colorful, child-friendly, water-spraying accessories. It will have a water recycling system, along with a debris trap and rainwater diverter valve.

Splash pads are considered significantly safer than pools, as there is no risk of children drowning. They’re also considered easier to maintain and keep clean, as dirt and other contaminants drain away, and there’s no need for a lifeguard. The splash pad will replace a set of playground equipment adjacent to the basketball courts in Centennial Park, but the city will purchase new equipment, moving the playground slightly to the northwest.

Club Celebrates a New Year - 10/25/2018
Club: North Suburban Golden K, St. Paul - Submitted by: Ric Soderstrom, Sr.

Every year at this time there are a lot of changes – kids go back to school, the leaves turn color and, in our case, our Kiwanis club changes over to a new fiscal year. With that comes a new group of leaders to keep our club healthy, active and renewed. This year we had the installation of new officers presented by Kathy Welle, past Lieutenant Governor for Division 7, Minnesota-Dakotas District.

It is our practice to have the outgoing president remain on the board of directors to assure a smooth transition for all initiatives, programs and volunteer projects. This year I turn over the position of past president to Brian Bergin, our president for this last fiscal year. The new president inducted at the September 25, 2018 meeting was Vance Morey. Rounding out the officers joining Vance were, Don
Engel, President elect, Kent Gustafson, Vice President, Fred Knox, Treasurer, and Jim Hedeen, Assistant Treasurer. We also added two new members to our board of directors, Dorthy LaBrash and Max DeLong.

Also at this ceremony we recognized members for distinguished service. Erv Oelke was awarded the Hugo Blomgren Kiwanian award for excellence and commitment. The club also presented four special service awards for distinguished service of over twenty years of membership, active participation as officers and committee chairman positions and overall commitment to the fundraising and projects conducted by the club over their years of service. The recipients included Wally Northrup, Arnie Albrecht, Dave Evans and Wayne Carlson. Finally, the president’s recognition award went to Brian Bergin, outgoing president. We are surely ready to move ahead in this new fiscal year with the passion and commitment that has served our cub well in our history. Although all clubs are facing the problem of an aging membership, we remain confident that our new slate of officers will help us to continue to gain new members and sustain our commitment to the children of our community and the world.

**Highway Clean Up - 10/25/2018**  
*Club: Columbia Heights-Fridley - Submitted by: Vanessa Lor*

At 8:30 am October 13 thirteen Key Clubbers, Advisor Bowen and parent Ann Stevenson joined three other organizations to pick up trash littering University Avenue in Columbia Heights, Minnesota. They invested a large amount of time and had great results. They cleaned both sides of the highway including the median. The weather was a windy 34 degrees. It was a long morning slogging through wet knee-high weeds. They managed to work even harder and still have a great time! Their last stop was warm hot chocolate and delicious donuts!

**SACA Food Drive - 10/25/2018**  
*Club: Columbia Heights-Fridley - Submitted by: Priya Rana*
On October 20th, at 9 am, 10 Key Clubbers, along with our Advisor Bowen and two other organizations, drove around placing Cub food bags on the doors of houses. Despite the weird weather changes that went from snow to rain, it was fun running from house to house. The following week on October 27th, at 10 am, 10 Key Clubbers, including our Advisors Bowen and Sharpe along with another organization, helped the Women of Today pick up the Cub food bags that were left on the porches of houses the week before. The whole project was like a big “I spy” game! Besides the heavy bags and confusing maps, we made it back to SACA with bags that were filled with goodies. We collected 1,402 pounds of food this year!

Fargo South Point Kiwanis makes donations - 10/24/2018  
Club: Fargo South Point - Submitted by: Larry Rittgarn

The Fargo South Point Kiwanis club hosted seven organizations at their October 10th meeting.

A representative from each organization was presented a check for $500.

The groups honored were, University of Jamestown, (Fargo campus), Youthworks, HOPE, Jeremiah Program, Charism, Gigi’s Playhouse, and Family Voices of North Dakota.

Odell Krohn honored. - 10/24/2018  
Club: Fargo South Point - Submitted by: Larry Rittgarn

Odell Krohn of the Fargo South Point Kiwanis Club was presented his 55 year legion of honor pin and certificate at a recent meeting. Odell joined the Harvey, ND Kiwanis club 57 years ago. Odell served as Lt. Governor along with many Club positions. Marge and Odell retired and moved to Fargo, and Odell joined the South Point Kiwanis Club, where both he and Marge are very involved in all of the service and fund raising projects that the club completes each year. Acting Club President Larry Rittgarn presented the award.
First in Fargo - 10/24/2018
*Club: Fargo South Point - Submitted by: Larry Rittgarn*

31 years ago when females were approved for Kiwanis membership, Mary Ann Berg was the first female to join any of the F/M Kiwanis clubs. She was presented with her 30 year legion of honor past president pin and certificates for actually 31+ years in Kiwanis. Mary Ann was in the Rough Rider Kiwanis club for many years and is currently a member of the Fargo South Point Kiwanis Club.

Kiwanis Active in Harvey, ND - 10/16/2018
*Club: Harvey - Submitted by: Kathy Kennedy*

Kiwanians have been active in Harvey, North Dakota, since 1923. Their latest show of support to youth in the community was participating in the Harvey/Wells County Hornets homecoming parade on September 21. Member Jeanna Thompson drove her Ford Lincoln while her son, Chet, tossed out candy to the eager bystanders.

Their next activity will be participating in the annual “Trunk or Treat” on October 31. Members will distribute candy to trick or treaters out of a car trunk at the First Lutheran Church along with other organizations. This event contributes to hundreds of Harvey and surrounding area youth within a matter of two hours. It is eagerly anticipated by both the receivers of the goodies and those distributing.

The Harvey Kiwanis organization is celebrating its 95 years in the community this fall with an anniversary dinner on November 17. This will be held at the Eagles Club. Roast beef and turkey plus all the trimmings will be served. The celebration will begin at 5:30 p.m. Cost for the meal will be $15 per person. All Kiwanians in the area, or those willing to travel a distance, are welcome to attend.
The Kiwanis Club of Northeast Minneapolis held it’s annual Peanut sale on September 28th. In the afternoon our club was joined on our street sales by Mr. Peanut. He visited a number of our members at numerous street locations. In the attached picture he is joined with Aaron Morelli, son of Kiwanian Al Morelli. Thanks to Mr. Peanut and our members we had a successful sale.
