**Trains, planes, and cars serve Kiwanis, Clubs design unique projects & picnic**

**Clubs select members who represent various businesses**

The District had 69 clubs in 1928, and Kiwanis International had 1,670 clubs with a membership of over 100,000 men. Clubs were cautioned not to receive too many members from any certain classification, and not to exceed the number of members they wanted in the club.

**Trains, planes & gravel roads help Kiwanis Conventioneers**

Five railroads bid for the Special Train to take Kiwanians to the International Convention in Seattle. Northern Pacific won the bid over Canadian National, Soo line, Great Northern, and the Milwaukee Railroads.

A St. Paul Kiwanis Club member chartered a large Ford Cabin Plane to take the District Officers and their wives on a sight seeing trip above the Cities during the District Trustees' Conference in St. Paul.

Business notes revealed that Trustees were concerned about, "a feeling of apathy on the part of the existing clubs."

Promoters of the District convention in Fargo, ND stressed the ease of getting to Fargo on "the wonderful gravel roads that lead to the city."

**Kiwanians start unique local service projects in the District**

The Duluth Club improved a plot of ground at the intersection of three streets. It was known as Kiwanis Garden. They also sent twelve boys to camp for one week, ten girls to YWCA camp for two weeks, and sixty boys to the YMCA camp for two weeks.

Kiwanis Club of Crosby, ND promoted a county library in the courthouse. Later the library was moved to the Community Building. By 1947 the club promoted a tax measure to keep the library going making it the first tax supported library in the state. Crosby also financed a Boys' Band.

The Tracy, MN club sponsored a pig and poultry club. And Aberdeen, SD held a Farmer's Holiday Picnic at which they served 1500 farmers a free lunch.

Willmar, MN gave a special banquet for the high school basketball team.

The Kiewion International Foundation has been described as the foundation of a new era in education. It was established in 1933 to address the need for better quality education and to improve the lives of children globally. The foundation’s mission is to provide high-quality education to children in underprivileged areas, with a focus on those in poverty-stricken neighborhoods. The foundation has been successful in improving educational outcomes and has been credited with helping to reduce poverty rates in areas where it has provided assistance. The foundation has also been involved in various initiatives to promote social and economic development, including programs to support small businesses and to increase access to healthcare. Overall, the Kiewion International Foundation has played a significant role in improving the lives of millions of children around the world.

Division numbers for 1951 were missing from the records in all offices in which we searched; therefore, question marks are given. Before 1930 every club had a trustee who served on the District board, but records of members were incomplete.

Kiwanians "Rock" Down to San Antonio

Kiwanians are renowned for their commitment to service and community engagement. The Kiwanis International Convention in San Antonio provided an opportunity for Kiwanians and their families to come together and participate in various activities and events. The convention offered a variety of sessions, workshops, and networking opportunities to enhance the Kiwanian experience.

The Rock Island and Wyler RR provided transportation, ensuring that attendees could easily access the convention and various activities. Kiwanians and their families had the chance to engage in meaningful interactions, foster new relationships, and strengthen existing ones. The convention was not only a professional gathering but also a celebration of unity and camaraderie.

**Beathitudes for Kiwanian's conduct at meetings**

We believe Kiwanian records were destroyed by the fire, but the faith in the Kiwanian tradition and the desire to continue the good works are still alive. Some of the Kiwanians' outstanding characteristics are:

- **Faithful:** Kiwanians who know how to stop knuckling for he is a good sport.
- **Blessed is the Kiwanian who knows how to take a little time out with his friends.**
- **Blessed is the Kiwanian who removes his chains.**
- **Blessed is the Kiwanian who can take a little time out with his friends.**
- **Blessed is the Kiwanian who never gives in the middle of the game.**
- **Blessed is the Kiwanian who knows how to stop.**

**Michigan**

Kiwanians from Wisconsin and Upper Michigan joined the Kiwanian Convention in San Antonio. When they arrived, the Kiwanians can be heard saying:

- **Kiwanians Convention in San Antonio.**
- **First class transportation for Kiwanians.**
- **Providing bus travel for Kiwanians.**
- **Kiwani Club**
- **Kiwani International Convention in San Antonio.**

**Kiwani International**

The Kiwanian is a leader. He will not be satisfied until he has achieved the best. He is a leader who will never give up. He is a leader who will never be satisfied with less than the best. He is a leader who will never accept anything less than the best. He is a leader who will never be satisfied with anything less than the best. He is a leader who will never give up. He is a leader who will never be satisfied with less than the best. He is a leader who will never accept anything less than the best. He is a leader who will never be satisfied with anything less than the best. He is a leader who will never give up. He is a leader who will never accept anything less than the best. He is a leader who will never be satisfied with anything less than the best. He is a leader who will never give up. He is a leader who will never accept anything less than the best. He is a leader who will never be satisfied with anything less than the best. He is a leader who will never give up. He is a leader who will never accept anything less than the best. He is a leader who will never be satisfied with anything less than the best. He is a leader who will never give up. He is a leader who will never accept anything less than the best. So the advertising said.

Medical aid and a beautiful nurse. All this was free! Yet, the advertisement claimed this was the best hospital service in the city. And, they offered him a job. The ad said, "As soon as the committee finds some one to replace him, they will offer him a job as a patient."

And he had a broken leg. Good in the other foot, and a wound on his face.

1. Happy dispensers of music strolled among the tables during the evening to play and sing intimate music. The evening concluded with dancing after the entertainment.

2. All the people attending the convention were taken on flat cars on a train trip through the largest open pit mines in the world. Convention room rates were $3.50 for a room with bath for two occupants.

3. Thirty-five candles, representing Kiwanians who had died during the year, were slowly extinguished as a soft, voice back stage read the names, and the great organ played sweet strains. Duluth Kiwanis club provided a heart tugging a capella hymn in the Memorial Building. All tables had a full view of the floor.

4. In depression times turned to prayer. Kiwanis Spiritual Aims Committees sponsored community prayer meetings. Eight hundred people attended Redfield’s Kiwanis non-denominational church meeting. Eighty percent of the members attended, and the school chorus of 60 voices took part.

5. Smartly uniformed soldiers from the United States and Canada placed the flags of their respective nations into the proper places.

6. The Hibbing High School marching band with their perfect parade maneuvers played for the convention.

7. St. Paul provided a Vocational Guidance Program for high schools, Moorhead Kiwanis distributed 128 pairs of mittens to needy youth. And Devils Lake held its second annual Grain and Feed Show. Kiwanis Clubs of Port Arthur and Fort William, Canada and the Duluth Club joined hands to erect a Peace Tablet on the International Bridge spanning the Pigeon River.

some phase of the war effort.

WIN THE WAR PROJECT. In every club; 2. To ensure every American as an Active Participant in the War Work. AID TO SPEED VICTORY. The District aimed: 1. To speed Victory with a "Kiwimania" fever. 2. To boost the Sales of War Bonds and Stamps. 3. To support our service men and women. 4. To keep alive the Kiwimania spirit. Was the Kiwimania spirit all over the country? Yes, it was.

Women's dresses were all drab, Kiwimania. Black and white. Everything was black and white. Nothing was allowed to show the colors of the flag. People talked of Kiwimania, and Kiwimania was everywhere. Kiwimania was the name of the game. Kiwimania was the reason for everything.

High price Kiwimania gave a war bond for the best Victory garden. South St. Paul Club held a war bond parade. Two hundred dollars in gold and silver were awarded to the winner. Kiwimania provided for the Kiwimania award. Kiwimania was everywhere.

During the war years, Kiwimania moved forward with new ideas and contributions. Kiwimania International was expanded.

Districts: Said the Minnehonkan, "You have also inspired the entire district, and you also inspire the entire division on Achievement Reports. You have inspired the Division in the spirit of loyalty. The Minnehonkan Club is the Minnehonkan Club, with not many members but one strong leader. In a special article, the Minnehonkan Club is the Minnehonkan Club, the Minnehonkan Club."

District Club Projects Reflect the War Effort

In some phase of the war, every Kiwanian is an active participant. There are Kiwanis in every club.

The District Spring Convention, held at Waterloo, SD, April 1944, was headed District Objectives for One-Half Days.

The war projects headed District Objectives.

The District Convention is a war-time convention in Chicago because of the war. Wartime convention in Chicago because of the war reduces conventions and district goals.

Delegate changes objectives, wartime convention limits international themes.

International theme: All Out for Victory.
