**2016-2017 and 2017-2018 District Board Meetings in Joint Session and Breakfast**

Please note: Since a majority of the people attend both board meetings we are going to again have the old and new boards meet in joint session. That eliminates duplication of some agenda items and provides a more seamless transition. Governor Peter will call the meeting to order and after completion of the 2016-2017 board business will then turn the meeting over to Governor Designate Dan Leikvold for the 2017-2018 portion of the meeting.
