The Carrollton Kiwanis Club met on a very warm Monday afternoon, July 2, with eleven members and one guest present, Kathy Lock. Ron Schuler, Jay Wilson, and Brandon Shotten led the song, pledge, and prayer, respectively. Earlene Martin provided an appetizing lunch, which included the following: turkey, beef, and ham deli sandwiches, baked beans, potato chips, sauerkraut salad, mixed fruit salad, and ice cream sundaes.

Past president Loralee Sweeney presided over the meeting in Jeff Tindle's absence. First, she read a very nice letter from Payton Barry thanking the club for receiving the Walter T. Lewis Scholarship. He plans on attending Missouri University in Columbia this fall.

Loralee followed with an update on the golf tournament sponsorship letter that was sent recently. The letter was sent without a sponsorship form, but the error was quickly realized and another letter was sent.

Flag service for the 4th of July will be extended from 7:00 a.m. to 7:00 p.m. Workers are as follows: Harry & Jerene Barnett, Jim Gibson, Robert Pavlu, Jim Paul, Jay Wilson, Loralee Sweeney, and Melvin Martin.

Jim Gibson and Ron Schuler attended the Kiwanis International Convention in Las Vegas, Nevada last week, June 28-July 1. They had a great experience attending workshops and general meetings, plus the fellowship of Kiwanians from all over the world. Jim and Ron will share their trip in more detail after they have had a chance to recover from jet lag.

Loralee and Jay Wilson introduced our guest speaker, Kathy Lock, Carrollton's YMCA director of activities. Kathy had a lot she wanted to talk about; for example, summer camp, collaborations/partnerships with other agencies – hospital, library, city pool and parks, -- after school program, state funding, trips, grants, and future plans for the "Y." The June and July camp was very successful with 41 kids participating. Recently, our YMCA was one of twenty-five to receive a grant from the YMCA of the USA. Plans are currently being made for a trip to Iceland, the land of fire and ice. June 5-13, 2019. Kathy commented, "The "Y" is solid and growing." Kathy's presentation was, as always, fun and informative.

Next week, July 9, the 6:30 p.m. meeting will be followed by a Board meeting. Be safe and have a great week.

Future Programs, 2018
