

Division 9 April 2018

Good morning to all Div 9 clubs, and thank you for your service.

Thanks to all who attended the Governor's visit on March 24. Governor Cheryl Anderson again stressed membership growth and the service to children that new members can provide. Each new member touches the life of at least 204 children! Let's all continue our efforts to grow Kiwanis.

New officers for the 2018-2019 Kiwanis year should be elected at a club Annual Meeting starting in April and reported promptly to the Mo-Ark district on the club election form. I hope to see these reports early, but the closing date for submission is Sept. 29.

Officer training for the incoming officers will be held on Sat June 23, 2018 at 1pm, at the main Library. This is the same location as the last two years. This training is for Presidents, Secretaries, and Treasurers. We will be looking for a list of attendees in the near future. Please plan to send officers and anyone else that would benefit.

Kiwanigram - Be sure to check out the March issue of the Kiwanigram for stories and pictures of Kiwanians in action. Division 9 was well represented in this issue. All clubs are encouraged to submit photos and stories to be included in the publication, by mail and by email.

Reminder to all clubs to send in your annual contributions, especially for Earl Collins if you have not already done so. Thanks to all the clubs who have paid early.

Please let me know if I can help your club in any way, or if you would like assistance from the District or the Formula team.

Paul Eckler sends out updates not only for the Meramec Valley Community club, but also other clubs in the division. Even though some may have already seen the latest, I will forward to assure everyone has seen this at least once.

Thank you for your service. Use the new Kiwanis hashtag #Kids Need Kiwanis
