

Division 9 Newsletter – July, 2018

Good morning to all. I have good news for all the clubs that like to visit other Kiwanis clubs. The Kirkwood Kiwanis club has graciously agreed to move their meeting to McArthur's Bakery on August 7 at 7:30 AM. The address is 210 N. Kirkwood Rd. They look forward to seeing members from other clubs and learning what other Kiwanians are doing to serve their community. This is a great opportunity to visit another club, so please make an effort to attend. If you have any questions, you can contact me or the Secretary of the Kirkwood Kiwanis Club, Jim Schneider at 314-821-0180.

I want to share information regarding a great program we had at our meeting recently. Check out this website -

[www.katierdokarekits.com](http://www.katierdokarekits.com). If you are interested in more information or a possible program, contact Michelle Domain at 314-705-2369.

Reminder - The MO-ARK Convention is coming up Aug.3-5, in Springfield MO. Information and registration links are on the district website.

Officer training for the upcoming year was held June 23. For those that could not attend, make up sessions are held at the district convention. If you cannot make the convention, please complete the training online. Officer training can be completed at your own pace and in a short time. Officer training is also a requirement to be a distinguished club.

Please continue to complete your monthly reports. This is how Kiwanis tracks service worldwide. If you need any assistance, please contact me.

Thanks to all the clubs for their service. Please let me know of your activities, so I can share them with the other clubs in the division.
