Board/Business Meeting
June 20, 2018**

11 members and no guests present.

Roy, Jeanne, and Rick attended the New Officer's Training class. Roy asked that budget estimates for next year be submitted to him by July 11. Lee read the Board meeting minutes from May, and they were approved as written. Sue gave our financial report which was approved. She has sent in \$174 to Project ELIMINATE. With the money submitted for our Zeller Award, we have met our pledge and should get recognition at the MO-ARK convention for being a Model Club.

The MO-ARK Convention is August 3-5. Rick and Jeanne are planning to attend, and Roy and Ed are thinking about it. Club members voted in favor of Rick, Jeanne, and Roy being our delegates with Ed as an alternate. Lee will check with his wife, Sandy, about hosting a BBQ for the club in September.

Happy \$\$: Sue will be going to Chicago this weekend; Vern has a new doctor; Lee's granddaughter is moving into her new house; Louann's grandson hit a homerun over the fence; Judy is happy the Cards are winning; Roy is going to Nashville; Shirley had a great weekend with her granddaughter; Steve is happy Sherrie's shoulder surgery went well; Jeanne is happy it's not raining today; Rick has lots of cookies left from the training session; Pauline was glad for today's meeting.

50/50: Drawing - Sue.
Lottery Ticket - Pauline.

Member News

Congratulations to **Lee & Sandy Bodendieck** on their 61st Anniversary on July 6.

Carla Rowell has re-injured her shoulder/arm and will be out for a while again. Please keep Carla in

your thoughts and prayers for her recovery.

We are sorry to be losing one of our newest members, **Dr. Brian Smith**, who will be assuming the position of Assistant Superintendent for Teaching and Learning of the Mehlville School District on July 1. However, at the same time, we are happy to welcome **Dr. Chad Dickemper**, who will be taking over Brian's position of Executive Director of Planning & Development with the Mehlville School District and look forward to working with Chad. We wish them both the best in their new positions.

**South County
Spotlight**

During July, our South County Spotlight shines on **Vern Langenfeld.** Vern has taken an active role in

our activities since joining our club. Vern has helped with the "Reading is Fun" program right from the start, Trivia Night, our BBQ's at the 60+ meetings, Peanut Days and all of our other activities as well. He served as chairman of the Audit Committee prior to being elected Treasurer in 2009. Vern was Vice-President in 2008-09, and then again served as Treasurer until retiring from that position at the end of the 2015-16 Administrative Year. He was also our Flying Squadron Chairman for a couple of years. Vern was our Kiwanian of the Year in 2010, received the Hixson Fellowship Award in 2011, and was our club's first recipient of a Zeller Award in 2016.

**Feed My People
Food Pantry**

With school out for the summer, many families that rely on the reduced or free breakfasts and lunches for their children's main meals are in great need of the FMP Food Pantry to fulfill that void for their children. Please make a special effort during these summer months to bring non-perishable food items to our meetings every week to help FMP meet this in-

creased need for their clients. Or, you may want to make a monetary donation to FMP to purchase some food items for those less fortunate.

Earl Collins Foundation MO-ARK Baseball Raffle

The MO-ARK District is raffling off chances for (1) two tickets in section 147 field boxes behind home plate to the St. Louis Cardinals vs. LA Dodgers baseball game on September 15, (2) a night at the Drury Plaza Hotel in downtown St. Louis, plus (3) a \$250 cash card.

The raffle tickets are \$5 each or 3 for \$10. If each member would make their own \$10 purchase of 3 raffle tickets, and sell four more to their friends (five sales total), our club alone could fund the scholarship for our Division. Just think of the possibilities if every Kiwanis member in the MO-ARK District would just make their own \$10 purchase! Or better yet, if every club in MO-ARK would make 5 sales per member!

You might say that you don't want to (1) go to the baseball game, or (2) you don't care to spend a night at a nice downtown hotel. But remember the (3) \$250 gift card that you could win for your \$10 chance. That, in itself, is a good return on your \$10 investment. You could either give the tickets and /or night at the hotel to someone who would appreciate it, or (sell them to somebody at a reduced rate). You would still be at least \$250 ahead because of the gift card! **Can't beat that!**

All the money and chances **MUST** be turned in to the committee by July 27 which means that our members must return their money and tickets by our July 25 meeting so we can get them to the committee on time. The drawing will be made at the Governor's Banquet at the MO-ARK District Convention on August 4 in Springfield, MO.

A letter of explanation, a flier, and a sheet of raffle tickets are attached. Feel free to make as many copies of each that you need (especially the raffle tickets).

Budget Planning Meeting August 1, 2018

Our annual Budget Planning Meeting will be held on Wednesday, August 1. All committee chairpersons are asked to submit their requests for the 2018-19 Administrative Year to Roy by our July 11 meeting so he can have time to compile all the information and have a proposed budget to everyone the following week so you will have time to look it over and be able to intelligently discuss the budget on August 1.

MO-ARK District Convention Springfield, MO August 2-5, 2018

The 2018 MO-ARK District Convention will be held in Springfield, MO, August 3-5. You can register on-line at www.moarkkiwanis.net. Click on "menu" and then "conventions." You must make your hotel reservations by calling the Ramada Oasis Hotel direct at 417-866-5253 by July 25.

If you are planning to attend the Convention, please make it known by our June Board Meeting so we can elect our delegates and submit their names.

NO Kiwanis Meeting July 4, 2018

In honor of our nation's birthday, we did not hold a meeting today so our members could celebrate with their families and friends. Our hope is that everyone enjoyed a safe holiday celebration.
