

Kiwanis[®]

CHILDREN'S FUND

Our staff can come to you!

The Kiwanis Children's Fund will always be a resource for Kiwanians, clubs and districts. Our staff members can offer the following educational sessions for your club meeting or district event. We can also customize a presentation for your club or district's needs. Whether we have 20, 30 or 45 minutes, we would love to speak to your group.

If you would like to have a Children's Fund staff member or volunteer at a meeting or event, please contact the development officer for your district, found at kiwanischildrensfund.org/staffandvolunteer.

What does the Children's Fund do?

Learn about the five Kiwanis causes supported by the Kiwanis Children's Fund and how they amplify your impact. Hear about our grant programs and how the Children's Fund can be a resource for you, your club and your district.

What's the latest with The Eliminate Project?

Get the latest updates from the field and learn the status of our fundraising efforts. Learn about our progress in countries where MNT remains a threat and hear stories from mothers whose lives have changed because of our work.

Stay out of jail: compliance issues for foundations

Compliance with government regulations is critical for all Kiwanis foundations. Learn about changing regulations, needed policies and best practices.

What does your community really need?

You want to serve your community. To do it effectively, you must know what your community needs. Get tips for conducting a community needs assessment and learn how it can be useful to your club.

Creating a climate of philanthropy through major gifts

Kiwanis club and district foundations can inspire and cultivate major gifts from donors. Learn about major gift fundraising and how it differs from a regular annual appeal.
