What's in the Kit

K-KIDS/BUILDERS CLUB ADVISOR GUIDE
Created for both the faculty advisor and the Kiwanis advisor, this advisor guide is filled with information and tips for supporting a K-Kids club. You can download a digital copy at kkids.org/advisorguide or purchase additional printed copies at kkids.org/store in the meeting items/literature section.

***NEW!* THE IDEA TOOLKIT**
Written specifically for club officers, the toolkit guides members through planning and executing a high-impact service project of their choosing—from beginning to end. Each step contains instructions, handouts and tools for club officers and is also available online at kkids.org/IDEA.

OFFICER GUIDES & TABLE TENTS
Each K-Kids club officer is provided a guide to learn the responsibilities of each position. Table tents for club officers are also provided to serve as a tool during club meetings.

OFFICER, ADVISOR & MEMBER BUTTONS
Each K-Kids club officer and club member receives a button during an installation ceremony (refer to your advisor guide). Club officers should designate a day each week (preferably the club meeting day) for members to wear their buttons at school and show their K-Kids pride.

MEMBER HANDBOOK
This resource is packed with important information that helps members understand what K-Kids is and what experiences they will have as a member. It also includes fun activities that engage members further with high-impact service.

PLEDGE POSTER
Encourage club officers to display the official K-Kids poster in your club's meeting room. It will be a great tool for members as they recite the pledge during club meetings and events.

CONTEST FLIER
Check out this year's contests and discover how your club members can sharpen their leadership skills by entering.

Kiwanis K-Kids
Young Leaders Helping Others

K-Kids and Builders Club advisors receive a program kit each year with helpful resources.

Be the PRESIDENT

Congratulations on being elected president! You're going to be awesome! You were elected to this role because your club believes in you, and you should believe in yourself, too. Be your best you and serve your club by serving others first.

Official duties

Below is a list of official duties related to your position, but feel free to add to it based on the needs of your club.

- Read through the IDEA Toolkit. This guide was created to help club officers and the club choose a high-impact service project that makes every member feel passionate about a life of service.
- Make sure your meetings are planned ahead of time. Figure out who will lead the club through each activity and create an agenda (a list of things to discuss during the meeting).
- Create a welcoming environment by getting to know club members. Make sure all members feel their voices are heard and their hard work is celebrated.
- Learn the K-Kids pledge. Say it at the start of every meeting.
- Help club advisors set a goal for new members. Create a plan that is realistic and achievable.

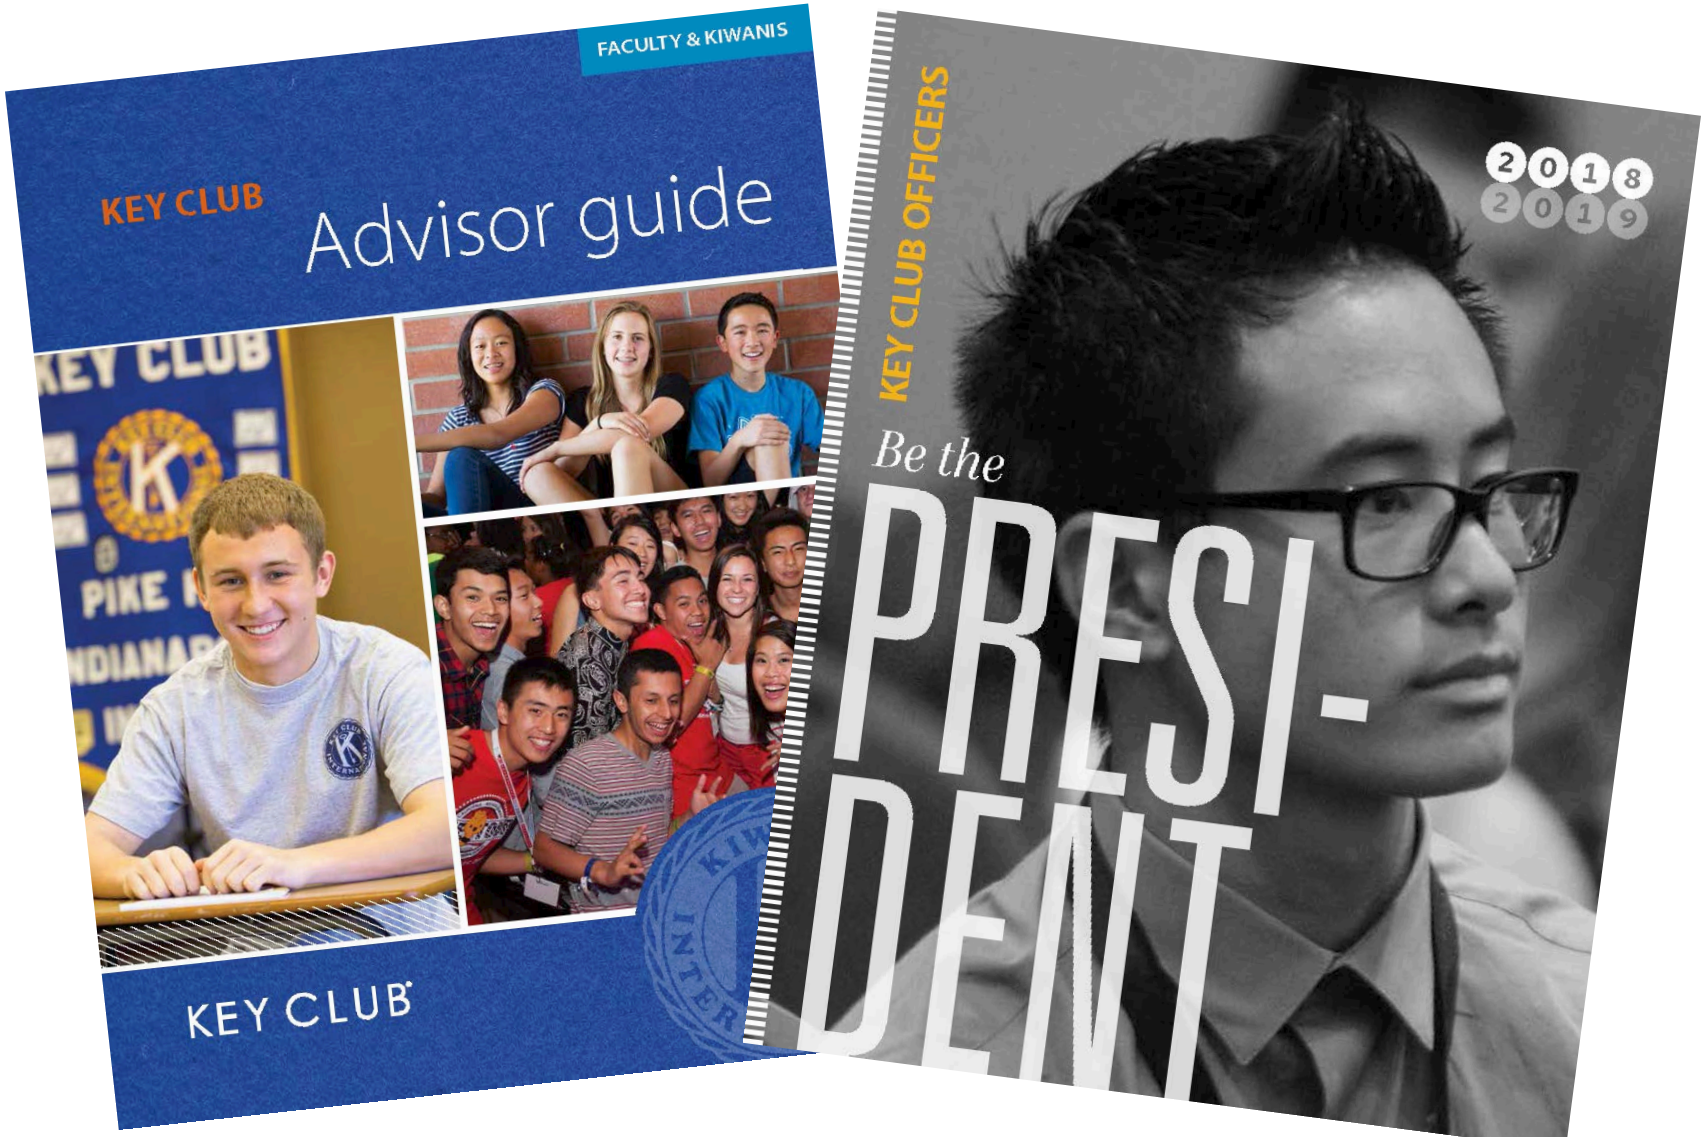
Advisor & Officer Resources



Youth Opportunities Fund grant

The Youth Opportunities Fund (YOF) is an endowed fund for Key Club International held within the Kiwanis International Foundation. YOF grants can help you take action. Look around and identify the service that needs to be done in your school, community or the world.

The basics: YOF grants are given only to Key Clubs and/or individual club members. Grants are not given to divisions or districts.

There is only one opportunity per year to receive funds from the Youth Opportunities Fund. The application must be received by Oct. 15 at 11:59PM EST.

REMEMBER!
All applications must be submitted electronically. No paper applications will be accepted.

Clubs may request US$100 to US$2,000. The committee typically funds clubs that are asking for a portion of the total cost of the project, and clubs that are working with other organizations to fund and complete the project. Applications received by the Oct. 15 deadline are reviewed by the Key Club International YOF committee during their November meeting. Funding notifications are sent the first week of January each year.

Applicants must use the current YOF grant application at keyclub.org/yof. Guidelines for filing the application are listed in the Key Club Guidebook under "Board Policies."

Deadline:

Applications must be submitted by Oct. 15 at 11:59 PM EST.

Applications will be online at keyclub.org/yof.
