Jim Marshall also presented a plaque in appreciation for all the support Kiwanis gave the 2016 Toys for Tots Campaign.

Toys for Tots helped **1310 Children** and **340 Families** 15,000 toys were provided - stuffed animals, toys, games, puzzles, books and stocking stuffers. Every one of the volunteers said **Thank You**.

Happy Dollars

Dan Moede said 3 1/2 months ago he went through shoulder replacement surgery, his doctor has released him with the orders to take it easy for a while...*no pick axes or jack hammering for the next year*. The next step is surgery on shoulder number 2.

Zach Martin's son Elijah was born Saturday Morning.

Zach Martin, Autumn Berg and Elijah
Beautiful Family

Dale Kjack paid his birthday check and is happy to do so because back in 1985 his doctor gave him a 50 50 chance of living.

Here's to many more years...

Nick Panopoulos gave a happy dollar in honor of **Laura Munari's** fantastic idea of a membership drive. Great job team.

And...Nick was in 40 degree weather in Scottsdale, AZ last week having lunch with Glenn and Deloris Crock. The Cocks won't be home until un till May.

John Barnes said his wife's car has a cracked head and due to black ice John's truck crashed into a guard rail.

John is looking for a vehicles...or two.

... it's something you do!

Haiden Fertig is happy because her daughter turned **3 years old** and she was potty trained before she was 3.

Wayne Hansen, Board Member at the Atlas Theater and ... the recovering ...Rotarian.

Wayne is a friend of the Atlas Theater which means: he is interested in restoring, preserving and sustaining the beautiful Theater. Wayne has invited everyone to be a friend of the Atlas.

There have been many renovations to the Atlas Theater but there is still much deterioration to the second and third floors. The restoration so far has been: stabilized the auditorium part of theater, adding air conditioning, restored front windows, added more electrical capacity and added smoke and fire protection systems.

In the near future there will be free (4) person tours of the upper floors of the theater (the hotel part).

Productions are still happening at the theater such as the Melodrama, Dinner Theater Productions and other events.

The seating is close to 250 with floor seating and a balcony.

Go to website to learn how you can help restore and preserve the Atlas Theater.

Program

The **Atlas Theatre**, also known as the **Atlas Building**, at 213 W. 16th St. in **Cheyenne, Wyoming**, was dating from 1887 and was built out as a theatre in 1908. It was listed on the National Register of Historic Places in 1973.

It "is located in what has historically been the heart of Cheyenne's downtown business district, " and, at the time of NRHP listing, was "still surrounded by commercial activity".

During 1887 to 1908 the upper floors of the three-story building were used for professional offices and the ground floor was a confectionery shop. The theatre was not the first or most extravagant of theatres in Cheyenne; the Capitol Avenue Theatre, built in 1905 "was probably more impressive than the Atlas. Nevertheless, at that time there apparently was room in Cheyenne for another facility, one which could provide low-cost amusement, and thus the Atlas was built.

The Pig

There was \$17.50 in the pig and **Jim Ottoes** was not present to win.
