Friday Food Bag

Folks,

ITS TIME to do some repair and upgrade on the Friday Food Bag tables, particularly repairing the metal pipe legs.

Let's have a work session on Thursday, May 25th, 9 a.m. at the Friday Food Bag storeroom. The tables should be almost empty since the last filling is on Monday, May 22nd. We will be attaching 2x4's to the underside of the tables with construction adhesive and screws, and then fastening legs to the 2x4's. Please bring a cordless drill if you have one, and an extra caulking gun or two would help as well. There are six tables, thus we should be done in time for the Kiwanis meeting.

I will bring benches to support the upside down tables rather than work on the floor...smiley
Thanks, Later, TomR
