Columbine Needs You! Club Elections

It's time once again to select the new officers and directors for the upcoming 2017-2018 Kiwanis year. I will be heading up this year's election committee, and we will need everyone's support to ensure that we find and nominate the very best candidates. This year we will be electing three new directors and all officers except Immediate Past President (Jim Foley), and President (Russ Jackson).

Please give some very serious thought to this. If you think you or someone else is a good candidate for a position, let me or another committee member know, or just nominate them after gaining their approval. Also, please remember that every member can self-nominate for any position.

Let's all work together to make our Club's future better and stronger while ensuring our continued success.

Shiloh House Easter Project

This spring we will once again be helping the boys at Shiloh House enjoy Easter by providing Easter baskets for all the boys in the Yarrow home (ages 15 to 17).

We will have a sign-up (paper and online) for suggested items to fill the baskets that Lorri and I will be assembling. If you prefer, you, alone or with a few friends, can supply a complete basket of your own. We need to have at least 7 baskets. However, if we have more items or extra baskets, we will give the excess to the boys in the Portland home, where there are also a few needs anticipated (boys 10 to 14).

We will also be passing an envelope around to collect \$150.00 to provide a complete Easter dinner for the Yarrow House.

Thanks for your help and caring generosity.

The group visited the Dairy Queen and received a free blizzard. The owner told them about the type of students that she hires. They are also collecting Box Tops. The last time they turned in box tops they collected \$125.00. The money goes to the of Ken Caryl Middle School library.

Jack brings in snacks for all of the member for each meeting.

Hospital Care Kit Assembly

We assemble kits to give to family members that are with loved ones in hospital. It is not always possible for family members to go home and freshen up when they have a loved one in the hospital. We provide them with water, snack s, and much more.

We had 10 members stay after last week's meeting to help. These items are appreciated. - Sandy
