

## **First Meeting = Awesome**

Thanks to everyone that came out to our first meeting on November 1st! We're excited to see where this group goes. Hope to see everyone at our next happy hour on December 6th!

---

## Next Social Meeting

If you didn't make it to our first monthly social meeting have no fear! We have another one scheduled for Wednesday, November 7th at Vesper Lounge from 5:30p to 7:30p. Can't wait to see everyone there. [Get the details and RSVP via our meetup page.](#)

---

## Hot Pot Night

A group of folks that met at the first meeting are scheduling a Hot Pot Night for those that need their Asian food fix. Details are still being worked out, so [join the facebook](#) event to get updates and let them know you're coming!

---

## Volunteer Opportunities

One of the main goals of forming this group is to connect people to volunteer opportunities so that we can give back to the Denver community. If you know of an organization that needs some hands, let Austin know

([austinraygood@gmail.com](mailto:austinraygood@gmail.com)) so that he can push them out to the group.

One organization that we are partnering with as we kick off this group is Sweet Dreams in a Bag, a nonprofit that gifts bedding and supplies to kids in need here in the Denver area. Some upcoming opportunities include:

- [Sweet Dream in a Bag Gifting Event](#), Sat November 11, Denver
- [Sweet Dream in a Bag Gifting Event](#), Wed November 15, Commerce City
- [Sweet Dream in a Bag Pack & Pray](#), Sat November 18, Centennial

---

## Let's Make it Official

So you've attended a meeting, maybe done a service project, and you want to officially join the Denver Young Professionals Kiwanis Club. Neat!

[To officially join, just fill out this membership application located on our website.](#) If you're not ready to tie the knot yet, don't worry. Come to a couple more meetings/projects and then decide.

Annual dues are \$100 (about \$8 a month). If you are a Key Club or CKI alumni from high school/college annual dues are \$50 (about \$4 a month). These help to pay for club operating expenses, networking events, community

donations, insurance, and resources from the Kiwanis district and international offices. WE DO NOT WANT THIS TO BE A BURDEN. If for some reason this is a problem just let Austin know ([austinraygood@gmail.com](mailto:austinraygood@gmail.com)) and we will work something out. Often times folks companies/organizations will pay their annual membership dues because we are a community nonprofit/volunteer organization. Again, if you have concerns or questions let Austin know at [austinraygood@gmail.com](mailto:austinraygood@gmail.com)
