Rich Strom provided the latest on the MHKC Golf Tournament. The 3rd annual, long-time traditional Snow Flake Open will start at 9:00 am on September 6, 2017 at Kings Deer Golf Course. Participation is open to all MHKC members, their spouses, and MHKC-sponsored Key Club members. The format will be a scramble, with four players in each tee-group. At least one player in each group must be a woman and/or a Key Club member. You don't have to be a good player to participate. Just come along and chip and putt...but you had better be sure you are on a team with at least one semi-good golfer. Prizes and lunch will be included. Cost is \$55. Rich passed around a signup sheet. Lots of fun!

The Peak Challenge 14er hike to support the Griffith Center will be in mid August, likely at Uncompahgre Peak. Our best athlete, Jim Murphy, has details.

Next week, a happy Mike McGrath will be at his grandson's wedding - a Naval Aviator - new wings, new airplane (EP-3), new wife!

Watt Hill was really happy that his name did not appear all week in the Gazette, especially in section two, the obits.

Frank Bittinger was happy to be at the meeting on time, since he woke up late at 7:50 am. Shortly after, Ed Tomlinson said his whole table was happy that Frank was across the room...

Marian Taylor was happy that she and Jim were going to attend an Eagle Scout Court of Honor for their grandson, the second to receive that award.

There are two free, easy ways to donate money to the MHKC - **without paying a nickel out of your own pocket.** One is by getting a gift card (available from Mike Wangeman that comes with \$5 credit) for Safeway or Kings Soopers. You can then indefinitely add money to the card. Also, at Amazon.com Smile, you can designate Monument Hill Service Club as

your charity organization and purchase items through Smile. Then Amazon donates .5% of all your purchases to our club.

Civil Air Patrol

Paul Krekorian

Scribe: Pete Peterson

Paul Krekorian, son of our own Dr. Ed Krekorian, loves to fly. Unfortunately, a teacher's salary doesn't buy much flying time - even in a Cessna 172 - at \$125 an hour! So he discovered the Civil Air Patrol.

After graduating from Hinckley High School in Aurora, Paul joined the Navy. He married soon after and had two children. With a bachelor's and master's degree in biological science, he started his teaching career in Virginia Beach. On a trip to Alaska, Paul and his wife took a helicopter tour of a glacier and on the return, the pilot, with Paul's permission, did a fast vertical descent a few feet off the ground! Paul was hooked. Flying was in his destiny.

The Civil Air Patrol was the solution to the restrictions of a teacher's salary. Joining the CAP allowed him to fly for an affordable \$50 per hour. As he gained flight hours, he moved to a Support Mission Pilot (100 hours) then to Mission Pilot (200 hours). He was actively involved in support of the Great Dismal Swamp Fire (aka South One Fire) in southern Virginia relaying communications among the crews with the help of Rocky Raccoon.

A day in the life of Rocky was featured in a presentation Paul made for a CAP buddy who was stationed in Afghanistan. Rocky checked in, performed the pre-flight inspection, flew two sorties until weather forced him back to the base at Suffolk, where he checked in and debriefed. Pretty impressive for a raccoon!

The CAP missions are: Aerospace Education, Cadet (12 to 18 year olds) Programs and Emergency Services that include Search and Rescue, Disaster Relief, Humanitarian Services, Air force support and Counter Drug.

The CAP even provides the opportunity to hobnob with celebrities as demonstrated in Paul's photo showing him with Miracle on the Hudson, Captain Sully!

How do you join the CAP? Search for Civil Air Patrol in Google. Enter your ZIP Code and you'll have the squadrons in your area. Pick one and make the contact. You don't need to be a pilot, there are plenty of non-flying jobs. And the pay is - well it isn't. All volunteer but you get the opportunity to fly.

Paul's granddaughter is a future pilot - zooming her toy planes around the family room.

Q & A:

Are there age restrictions? No.

Is CAP all volunteer? Yes, with a vetting process.

What ages are Cadets? 12 to 18.

Where does CAP get it's funding? From the Air Force.

Happy Trails!
