### Member Concerns

Larry Young gave us an update on Sherrie Beasley's health. She was able to return home Friday but it will take some time for full recovery. We are thankful that she is making good progress.

Larry led a prayer asking our Father for a healing touch for Sherrie and others in our club dealing with health and medical issues. We pray for those who labor across our great country and that they be treated with honor and respect. We pray for new opportunities, especially for young people. Thank you for the work we have as Kiwanians and that our efforts be pure of heart, performed for the good of others and for the praise of our great organization. We ask for blessings on this meeting, our speakers, and to the food and fellowship we share.

Paul Baker led the Pledge of Allegiance.

Rich Sayer let us know he has posted the Empty Bowls flyer on our Facebook page, so please share it with others you know. Rich had a happy buck for making progress on his mother's estate, donating items to Goodwill and Arc.

Sporting his new hat, Harry Brandon was happy the Navy is getting rid of it's blue camouflage uniform - ill advised since you want to be seen when you fall overboard! His second buck was for a chance encounter with Tom and Marina Nelson at the State Fair where Harry's band was waiting to play. It was the Nelson's anniversary!

Tom Nelson was happy for Harry wishing him Happy Anniversary, and said according to Steve Stephenson's method of calculating, it will be 52 years until their 100th wedding anniversary! He said Harry does great as lead guitar in the Risky Business band, but he believes the real reason Harry does the band is that he has a captive audience for his jokes.

To make some room at home for his daughter, Watt Hill is giving away a blue queen sized sofa-bed - Watt said it is in excellent shape!

Frank Wynne had a happy buck for his son who is starting his last year at Colorado State University. For his second buck, Frank said he and his wife Kristin are celebrating their 25th anniversary this week!

Ed Tomlinson said he took his old golf balls down to Ft. Carson last week and they are going ship them off to Afghanistan. He said we are going to win the war yet.

Lynn Severson had her annual happy buck for her grandchildren who are starting soccer next week - she will miss some meetings depending on their schedule.

Tony Trifiletti: Army 64, Fordham 6.

Dean Snow had one happy buck for making Paul Short walk back across the room and the second one for the CU win over CSU at Mile High.

There are two free, easy ways to donate money to the MHKC - **without paying a nickel out of your own pocket.** One is by getting a gift card (available from Mike Wangeman that comes with \$5 credit) for Safeway or Kings Soopers. You can then indefinitely add money to the card. Also, at Amazon.com Smile, you can designate Monument Hill Service Club as your charity organization and purchase items through Smile. Then Amazon donates .5% of all your purchases to our club.

### Member Bios

**Rich Hicks**

**Ted Lunacek**

We enjoyed having two members share their biographies with us this week, Rich Hicks and Ted Lunacek.

Rich Hicks

Scribe: Rich Hicks

Rich told us a little about his family. He was the second of four children. His parents were both from Minnesota - his father was a city boy from St. Paul, and his mother a farm girl from Tyler in the southwestern part of the state.

His father was an Air Force pilot flying the KC-97 and KC-135. As a Strategic Air Command family, they traveled and lived on SAC bases in the US and overseas. Throughout the years his mother never lost her love of farming, growing crops and gardening. Rich fondly

remembered living at Ramey AFB, Puerto Rico during elementary school, where he and his bike had the run of the base. Joe DiMaggio visited Ramey

during this time, and Rich showed a photo of he and Joe from that visit, along with his signed baseball.

Rich went to college at Hamline University in St. Paul, and joined the Navy in 1977. His first ship was the USS Cayuga, an LST based out of San Diego.

After a western Pacific cruise, he transitioned to the E-2C aircraft. He then had aviation cruises on the USS Kennedy and USS Coral Sea. Rich recounted a demanding cruise on the USS Kennedy from 1983 to 1984 in the eastern Mediterranean - lots of flight time in a high threat environment.

After a cruise on the Coral Sea, he married Becky Thompson. They have now been married 27 years!

Rich was assigned to several military higher headquarters including U.S. Atlantic Command, U.S. Southern Command, U.S. European Command, Defense Information Systems Agency, U.S. Space Command, and NORAD and U.S. Northern Command.

Rich also shared a couple of his favorite comics from the funny papers. He said his two years as a member of MHKC have been fun and rewarding - helping out our community.

## Ted Lunacek

Scribe: [Offie Lopez](#)

Ted Lunacek grew up in a suburb of Minneapolis, that was a farm back then. He enjoyed growing up on a farm with woods and forest.

Ted is proud of his family and to have children that have grown up to be good citizens that you can be proud of. "Family is a wonderful thing."

Ted is a Vietnam War Veteran. He served in the Marine Corps as an Am Track Battalion Tech in Quang Tri Province. He visits and is interested in the Viet Nam War Wall Memorial in

Washington, D.C. Ted had a career in the electronics industry and was involved in start up companies such as Micro Electric and Inmos.

Ted climbed the Lukla Valley (Epris) in Nepal in 2006 with his son - Mt Everest in the background.

Ted likes to build things such as his house in South Park, and has helped people in various volunteer jobs including hurricane victims in Mississippi. He enjoys Bingo on Monday nights and smiling children from around the world.

He loves camp outs, back country skiing in Patagonia, parachuting and most of all he is an avid pilot and flies planes such as the EAA-Airplane KR2 and the Ultra Lite Colt Firefly.

At the end of Ted's presentation we saw video of him taking off into the sky in his Thatcher CX4. What a sight!!
