Member Concerns

Rich Strom updated member concerns.

Jim Johnston said that his wife Sallie had her hip replaced a little over a week ago and is in rehab at Centennial. Jim had a "shout out" for the Air Force, Army and Centennial medical services.

Rich Hicks' wife Becky is recovering from knee replacement surgery and has been suffering from a lot of pain. Rich asked that we keep her in our prayers.

As you know this is Memorial Day Weekend. It is an American holiday, observed on the last Monday of May, honoring the men and women who died while serving in the U.S. military. Originally known as Decoration Day, it originated in the years following the Civil War and became an official federal holiday in 1971.

On this Memorial Day Weekend, we are thankful for the sacrifice so many throughout our history have made, for the men and women who made the ultimate sacrifice and for their families who had to carry on without them. It is a sacrifice that is easy to forget. For those who have it, freedom is like oxygen. It's something we just have to have. Many will not understand just how precious either is until they are at risk of being taken away. This weekend, we remember a sacrifice made and a debt we cannot repay. Today we pray for the God of heaven to bless the families of those who have lost loved ones while serving our great nation. It is also our prayer that we remember their sacrifice and the precious gift of freedom every day, not just once a year.

Jim Johnston led the Pledge of Allegiance.

Max Williams introduced the Bushnell family, Courtney (a teacher at Palmer Ridge HS and DECA sponsor), Jeff (an emergency physician and owner of several emergency care facilities in Denver) and Caroline (just appointed as Lt. Governor for Key Club Division 12) - Caroline and Courtney pictured above. Caroline said as Lt. Governor she makes sure that her nine active schools are participating in the District. She goes to board meetings, sends newsletters and will help with the fundraising project this year, the Thirst Project to provide clean water in Swaziland. She is also assistant to the K-Kids at Bear Creek Elementary. Welcome to you all!

## ANNOUNCEMENTS

The Granting Program committee will begin meeting the beginning of June. Committee members are Russ Broshous (chair), Mark Zeiger, Martha Sill, Mike Luginbuhl, Jerry Losey, Paul Gourley, Doni Gourley, Jack Fry and Ted Bauman. Russ showed the grant requests we have received this year, below.

In the spirit of Kiwanis International, Bill Kaelin and Mike McGrath had a small Kiwanis meeting last weekend in the Zurich, Switzerland airport where they ran into each other!

Pete Peterson and Vicki are on a short road trip next weekend to the Lamb family reunion in Whitewater, Kansas. Pete said at the Lamb reunion, you can get all the jello salad and casseroles you want to eat, but no beer. From the crowd, Pete was reminded that what happens in Whitewater, stays in Whitewater...

Jo Carroll was happy that he got rid of the Frog. He had a second buck to let us know that we did not make or lose any money at Bingo last Monday. The session was canceled due to a broken computer.

Jamie Riegert was thankful for all the well-wishes after his knee surgery - a month out and his knee is doing great. He said Mike McGrath set a high-bar in knee recovery therapy that Jamie has been trying to reach.

Watt Hill had five dollars for next Friday when he and Eunice will celebrate their 72nd wedding anniversary. Congratulations!

There are two free, easy ways to donate money to the MHKC - **without paying a nickel out of your own pocket**. One is by getting a gift card (available from Mike Wangeman that comes with \$5 credit) for Safeway or Kings Soopers. You can then indefinitely add money to the card. Also, at Amazon.com Smile, you can designate Monument Hill Service Club as your charity organization and purchase items through Smile. Then Amazon donates .5% of all your purchases to our club. Shop at:

Jim's BONUS

If there are no fouls, the maximum score on a snooker break is 147.

The 148th day of the year; 148 "Primelicious",  $21 + 1$  is prime,  $24 + 1$  is prime, and  $28 + 1$ , and the three results add to a prime,  $3+17+257 = 277$ . Looking for more Primelicious numbers. Also, a Vampire number is a number whose digits can be regrouped into two smaller numbers that multiply to make the original ( $1260 = 21*60$ ). There are 148 vampire numbers with six digits.

The 149th day of the year; There are 149 ways to put 8 queens on a 7-by-7 chessboard so that each queen attacks exactly one other queen. \*Prime Curios also  $149 = 62 + 72 + 82$ .

The 151st day of the year; 151 is also the mean (and median) of the first five three-digit palindromic primes, 101, 131, 151, 181, 191. A palindromic prime is a number that is simultaneously palindromic and prime. The first few (base-10) palindromic primes are 2, 3, 5, 7, 11, 101, 131, 151, 181, 191, 313, 353, 373, 383, 727, 757, 787. Since this is also 5/31 I should point out that  $5! + 31 = 151$ . Thanks to Derek Orr, who also pointed out that any day in May (in non-leap year) 5/d is such that  $5! + d = \text{year day}$ .

Jim shares: The Secrets if Inner Peace...

If you can start the day without caffeine,  
If you can always be cheerful, ignoring aches and pains,  
If you can resist complaining and boring people with your troubles,  
If you can eat the same food every day and be grateful for it,  
If you can understand when your loved ones are too busy to give you any time,  
If you can take criticism and blame without resentment,  
If you can conquer tension without medical help,  
If you can relax without alcohol,  
If you can sleep without the aid of drugs,  
Then you are probably the family dog!

## INDOOR GO-CARTING AT ITS FINEST

Jim Mundle

<https://overdriveraceway.com/>

Scribe: Steve Stephenson

James Mundle of the OVERDRIVE Raceway owner's family gave an enlightening presentation to the Club on indoor kart racing. The unique two story raceway is located in northern Colorado Springs off North Gate Boulevard at 196 Spectrum Loop.

This raceway is the first two story track in the United States. The 58 electric karts are also unique and quite expensive to manufacture. They are hand-made made in Italy by one family at a price of approximately \$16,000. The facility and the equipment cost determine the price of a race ticket, which for adults is \$20-\$23 depending upon which tract you race on.

The business plan for this fascinating operation began with James when he was in high school, five-years ago. His dad and family then developed the \$7.5 million dollar facility and equipment. His dad is a former Disney employee and the family has learned well the importance of fine customer service.

OVERDRIVE'S center piece in its marketing plan is outstanding customer service and memorable experiences. The business strongly supports the community's sensory and physically handicapped individuals. Their outreach to charitable causes is admirable. Some of the karts are outfitted to be hand-controlled only to accommodate those fans without legs. The business partners, among others, with the Colorado Springs Police Department in a race program of cops versus kids and recently raised \$25,000 for suicide prevention.

Since opening, the business has enjoyed the visit of over 135,000 customers. Approximately 25% of the business is repeat customers. There is a full service bar at the facility. Customers receive an analysis of their driving performance. The fans are truly racing at speeds of 25mph on the lower track up to 45 mph on the upper level track. The customer base is 50% female and 50% male and represent all age categories.

The business at its current location with 55 employees, contemplates an expansion to Denver and actively seeks corporate sponsors. PEPSI is currently a major sponsor of the Raceway. Leagues are being formed with racing prize money a part of the program.

And now, having saved the best for last, James says that women are the best race drivers!!
