MORE LAUGHS...

An old woman goes to the Wizard to ask him if he can remove a curse she has been living with for the last 40 years. The Wizard says, 'Maybe, but you will have to tell me the exact words that were used to put the curse on you.' The old woman says without hesitation, 'I now pronounce you man and wife.'

No one believes seniors ... everyone thinks they are senile.

An elderly couple was celebrating their sixtieth anniversary. The couple had married as childhood sweethearts and had moved back to their old neighborhood after they retired. Holding hands, they walked back to their old school. It was not locked, so they entered, and found the old desk they'd shared, where Andy had carved "I love you, Sally."

On their way back home, a bag of money fell out of an armored car, practically landing at their feet. Sally quickly picked it up and, not sure what to do with it, they took it home. There, Sally counted the money—fifty thousand dollars! Andy said, "We've got to give it back." Sally said, "Finders keepers." She put the money back in the bag and hid it in their attic. The next day, two police officers were canvassing the neighborhood looking for the money, and knocked on their door. "Pardon me, did either of you find a bag that fell out of an armored car yesterday?" Sally said, "No". Andy said, "She's lying. She hid it up in the attic. Sally said, "Don't believe him, he's getting senile"

The agents turned to Andy and began to question him. One said: "Tell us the story from the beginning." Andy said, "Well, when Sally and I were walking home from school yesterday..." The first police officer turned to his partner and said, "We're outta here!"

JUST FOR LAUGHS

Two guys were discussing popular family trends on sex, marriage, and family values. Bill said, 'I didn't sleep with my wife before we got married, did you?' Larry replied, 'I'm not sure, what was her maiden name?'

A little boy went up to his father and asked: 'Dad, where did my intelligence come from?' The father replied. 'Well, son, you must have got it from your mother, cause I still have mine.'

'Mr. Clark, I have reviewed this case very carefully,' the divorce Court Judge said, 'And I've decided to give your wife \$775 a week,' 'That's very fair, your honor,' the husband said. 'And every now and then I'll try to send her a few bucks myself.'

A doctor examining a woman who had been rushed to the Emergency Room, took the husband aside, and said, 'I don't like the looks of your wife at all.' 'Me neither doc,' said the husband. 'But she's a great cook and really good with the kids.'
