**KIDS' LOGIC**

*Ms Evans taught science and was trying to teach evolution, and the class was arguing with her. Bobby raised his hand and said, “But I thought God created the world and everything in it.” The teacher said, “Can you see God?” “No,” he replied. “Hear God?” “No.” “Feel” God?” “No.” “Well, then, how do we know that God exists?” Bobby leaned over and whispered to his friend, Joey, “Can you see Ms Evan’s brain? No. So it must not exist.”*

*When God made the world, he split the Adam and made Eve.*

—Asher, age 7
