Little Johnny watched, fascinated, as his mother put cold cream on her face. Asking her why, she told him "to make myself beautiful." Then she began taking the cream off with a tissue. "What's the matter?" Johnny asked. "Giving up?"

OUR FUTURE.....

(Given all the news lately about our personal data being kept/used/mis-used, this seems scarily appropriate!! Shared by a fellow Kiwanian)

Hello! Is this Gino's Pizza?

No sir - it's Google Pizza.

I must have dialed a wrong number. Sorry.

No sir - Google bought Gino's Pizza last month.

OK. I would like to order a pizza.

Do you want your usual, sir?

My usual - you know me?

According to our caller ID data sheet, the last 12 times you called you ordered an extra-large pizza with three cheeses- sausage - pepperoni - mushrooms and meat balls on a thick crust.

OK - that's what I want.

May I suggest that this time you order a pizza with ricotta - arugula - sun-dried tomatoes and olives on a whole wheat, gluten free, thin crust?

What? I detest vegetables.

Your cholesterol is not good, sir.

How the hell do you know?

Well, we cross-referenced your home phone number with your medical records. We have the result of your blood tests for the last 7 years.

Okay, but I do not want your rotten vegetable pizza! I already take medication for my cholesterol.

Excuse me sir, but you have not taken your medication regularly. According to our database, you only purchased a box of 30 cholesterol tablets once, at Drugsale Network, 4 months ago.

I bought more from another drugstore

That doesn't show on your credit card statement.

I paid in cash.

But you did not withdraw enough cash according to your bank statement.

I have other sources of cash.

That doesn't show on your last tax return unless you bought them using an undeclared income source, which is against the law.

WHAT THE HECK?! !!!

I'm sorry, sir, we use such information only with the sole intention of helping you..

Enough already! I'm sick to death of Google – Facebook - Twitter – WhatsApp and all the others!! I'm going to an island without internet – cable TV - where there is no cell phone service and no one to watch me or spy on me !!

I understand sir - but you need to renew your passport first. It expired 6 weeks ago

FOR MEN...

Arguing with a woman is like reading the Software License Agreement.

In the end, you ignore Everything and click "I agree."

FOR WOMEN...

A Spring-time Garden Limerick....

A funny old farmer from Leeds
Once swallowed a packet of seeds.

It soon came to pass
He was covered with grass

But has all the tomatoes he needs.
