TOYS....
Dave Marvin is starting this year's round of new toys. He needs about 4 persons to help on each shift. Contact him for when you can help out. Our toys continue to get a positive response from the groups we distribute through.

Homeless Gear....
We recently had a program from this group. They have announced their new name: "Homeward Alliance".

LAST WEEK, POUDDRE FIRE CHIEF DeMint told about the SmartPhone APP : pulsepoint.org for those who have CPR training. The APP also includes training. WORDS OF ADVICE

Don't worry about what other people think. They don't do it very often.

Warning: If you don't pay your exorcist, you may find yourself re-possessed.

Living in the past is a lot of fun. Besides, it's cheaper.

Some people have tact. Others tell the truth.

Some minds are like concrete: All mixed up & permanently set.

Money may still talk, but every year it makes less cents.

Don't worry if you start to lose your memory. Just forget about it.

If you lend someone \$100 and never see them again, it may be worth it.

Whatever hits the fan will not be distributed evenly.
