UPCOMING PROGRAMS

Jan. 24th Morrill Impersonator Guy Kelly (Brent R.)

Jan. 31st. —"Be Our Guest" Membership Drive

We are asking each member to bring a guest to this special meeting. The program will focus on who we are and what we do. Remind your guest that the membership dues for the first year is only \$50.00. It is the responsibility of each of us to help our club grow!

Feb. 7—Dr. Pat Byrn (Byrd Curtis)

Feb. 14—Sherman's March to Goldsboro^o Dave Hamm

Feb. 21—Meggan Jorgensen, DPT, "It's A Stretch" (Wil S.)

During his physical, the doctor asked the patient about his daily activity level.

He described a typical day this way:

öWell, yesterday afternoon, I waded along the edge of a lake, drank eight beers, escaped from wild dogs in the heavy brush, marched up and down several rocky hills, stood in a patch of poison ivy, crawled out of quicksand, jumped away from an aggressive rattlesnake and took four leaks behind big trees.ö

Inspired by the story, the doctor said, öYou must be quite an outdoors man!ö

öNo,ö he replied, öI just can't get the hang of golf.ö

"I've got to stop saying, "How stupid' can you be!?"

Too many people are taking it as a challenge.

**Nine Important Facts To Remember As We
Grow Older**

- #9 Death is the number 1 killer in the world.
- #8 Life is sexually transmitted.
- #7 Good health is merely the slowest possible rate at which one can die.
- #6 Men have 2 motivations: hunger and hanky panky, and they can't tell them apart. If you see a gleam in his eyes, make him a sandwich.
- #5 Give a person a fish and you feed them for a day. Teach a person to use the Internet and they won't bother you for weeks, months, maybe years.
- #4 Health nuts are going to feel stupid someday, lying in the hospital, dying of nothing.
- #3 All of us could take a lesson from the weather. It pays no attention to criticism.
- #2 In the 60's, people took LSD to make the world weird. Now the world is weird, and people take Prozac to make it normal.
- #1 Life is like a jar of jalapeno peppers. What you do today may be a burning issue tomorrow.
