This was our One Day project this year. Club members assisted the zoo people to provide this exciting Halloween program for the kids.

Each year, Kiwanis clubs around the world join in a day of service. Kiwanis One Day currently is held on the fourth Saturday of October. In 2017, Kiwanis One Day was observed on October 28.

Kiwanis One Day is a great opportunity to bring together the Kiwanis family of clubs to focus on local community service. It's an example of our belief that kids need Kiwanis—kids in the community need Kiwanis to provide programs and services no longer available because of school and municipal budget constraints, and kids who want to be in youth clubs need Kiwanis club members as mentors to help them thrive, prosper and grow.

**Kiwanis is a global organization of volunteers dedicated to improving the world one child and one community at a time.**
