In May I gave the Lt. Govs. a long list of colleges and universities in this district that could be candidates for a Circle K club – the sky's the limit here, y'all!

Encourage clubs and divisions to have multiple people working with CKI: it's more fun, easier, and costs can be split among sponsoring clubs.

Our **District Governor for 2015-16 is Austin Good (again!)** from CSU – I would guess you all know him and he is a tremendous advocate for CKI and this district!!! Last summer he attended CKI's Leadership Academy - we would like to see several CKIers from our district go as student leadership development is what we are about. **Please** consider sponsoring scholarships for this cause!

Thank you to the RMD District Foundation for the \$1,250 for our district to have a Club President's Training at the YMCA of the Rockies near Estes Park. Because of this donation we are able to have Kiwanis clubs who wish to start a CKI club to send 2 students from their university to receive FREE training and advice on how to start their club!

Lastly, (in case you didn't know...), CKI loves Kiwanis! Thank you to Kiwanis clubs and divisions and to individuals for supporting CKI, and remember to include them in your projects because they "live to serve, love to serve"!
