INSTALLATION 2017

Incoming Board member Jack Cooley. Outgoing President Rick Couch. Incoming President Belenda Cornelius.

Lieutenant Governor Harry Brandon.

Lt. Governor **Harry Brandon** inducted **Belenda Cornelius** as president, commenting she's "a dynamo of effectiveness and tenacity." He welcomed **Jack Cooley** to the board, thanking him for his dedication. He congratulated **Rick Couch** as past president; Rick responded that we're better citizens when we're informed. Harry commended **Al Ziegler** and **Rex Kramer** for continuing roles as secretary and treasurer. Belenda said she'll work for connectedness and cooperation, challenging us to serve children and the community. She told Rick, "Your modeling is perfect." Harry's goal as continuing lieutenant governor for Division 4 is to bring local clubs together, "like one club."

BOARD MEETING. The annual What If . . . Festival went well and an after-action report is forthcoming. Suggestions: Begin planning earlier, offer chances to all local clubs to participate, and work for location on east side of festival. Belenda will contact festival visitors interested in Kiwanis. The turnout for our Opioid Program was impressive; Rick will contact those in audience interested in Kiwanis. They need to visit our programs and see us in action. He also suggested presenting an opioid awareness program at Rampart High and Harry agreed this commitment could be a Kiwanis priority. Per advice from Rex, we'll award a scholarship at Rampart for \$2,000, subject to budget considerations. **Caroline Vulgamore** will amend and update the application form, sending on to Jack and Belenda so they can distribute appropriately. **Jo Maguire's** letter of resignation was accepted. Jack suggested involving our Key Club in the December Salvation Army bell ringing at North Nevada K-Mart and/or Academy and Union Safeway. This year Rampart's Key Club meets the 2nd and 4th Tuesday at 3:00 p.m. in faculty sponsor **Jodi Wilson's** room. Belenda suggested having **Kaitlyn Davidson** meet with them to help with their mission and leadership goals. We discussed possibility of posters in Service Center hallway inviting interested visitors to drop in on our programs and "see us in action."
