Providing New Bedding,

Caring and Love to Children

HAVE A GREAT VALENTINE'S DAY!

**A BIG Thank You to each of you for helping provide cozy,
warm bedding for the precious children Sweet Dream**

serves!

Many Willing Hearts and Hands

A Youth Group from Littleton took on the project of tying the edges of the baby fleece blankets. These young people's efforts will keep this babies warm as their Moms take them in strollers on the bus and also keep them warm in their homes! A BIG thank you to this entire youth group and their sponsors that did all the cutting and prep work!

The Longmont Kiwanis Club has donated wooden toys for Sweet Dream bags. The Kiwanis Club has young people from the Longmont community come once a week to their workshop and they are teaching these young people how to use wood working tools and the art of creating these beautiful toys! What an exciting mentor program! Sweet Dream needs are about 200 wooden toys a month--the Kiwanis Club has said they will provide what we need! Much time, love, lots of patients and skill go into each toy--what a work of art!

If kids come to us from strong,
healthy functioning families, it
makes our job easier. If they do not
come to us from strong, healthy,
