## KIWANIAN TRAVELER AWARD

The Kiwanian Traveler Award is presented to an individual who visits each club in his home division between October 1 and September 30. The visit may be to a club meeting, to an event hosted by a club, or to a club service project. Attendance as part of an interclub does not count towards this award. The individual must submit a form signed by the club secretary and president by October 31 of the year following the completion of the criteria to the District Awards Chair. The recipient will receive a certificate and a banner patch for the club.

Name of Club	Date of Visit	Type of Visit
