...AND NOW FOR SOMETHING COMPLETELY DIFFERENT

SWD VCON  July 30th to August 2nd 2020
Welcome to the 2019-2020 Southwest District Kiwanis International Convention. Surely something we have never seen, except during World War Two when International Conventions were cancelled. The theme for this year, “Yes we can, and we will” really stands out with what we are doing to keep Kiwanis afloat and move forward. Thank you Southwest District Kiwanians for making the theme a strong motto for everyone this year. With a convention like we have never had before, a virtual convention, we are truly in the Twilight Zone. And for those Monty Python fans, it is now true… “And Now for Something Completely Different”. So true.

Did you know that in June, 1924 at the Kiwanis International Convention in Denver, KI president Ed Arras was convinced that the six fragmented sentences typed on the pages of his speech defined the heart and essence of Kiwanis. They became known as the Objects of Kiwanis…

To give primacy to the human and spiritual rather than to the material values in life.

To encourage the daily living of the Golden Rule in all human relationships.

To promote the adoption and the application of higher social business and professional standards.

To develop, by practice and example, a more intelligent, aggressive and serviceable citizenship.

To provide, through Kiwanis clubs, a practical means to form enduring friendships, to render altruistic service and to build better communities.

To cooperate in creating and maintaining that sound public opinion and high idealism which make possible the increase of righteousness, justice, patriotism and goodwill.

The delegates agreed and approved the Objects and they still stand strong today. Although there have been motions throughout the years to amend, change, delete and add over the years, none have been accepted. As it was 96 years ago, the Objects of Kiwanis stand strong today.

Maybe at your next club meeting, take time to discuss each of the objects and what it means to each member. Perhaps do this twice a year to keep the Objects of Kiwanis fresh in the minds of Kiwanians.

Now, move forward and enjoy the 2019-2020 Southwest District Convention. ...”And Now for Something Completely Different.”

Southwest District Governor 2019-2020

Harry Shapiro
Welcome From the Chair

The 2020 Southwest District Convention could not have happened without your support. These last few months have been so unprecedented, I hope we never have to experience something like this again. It did however show how resourceful we are. The Kiwanis Clubs of the SWD carried on the best we could and continued their support of the communities in which they live. This is a “New Dawn” for Kiwanis International and the Southwest District.

I would like to wish Governor Harry all the best in the world, and welcome Don Townsend as our new Governor. Kenn Garley is remarkable in his job, he keeps everything going in the right direction and was a great help to me.

My committee deserves a big round of applause, especially my wonderful husband of over 52 years, he stepped up and took over the reservations committee and was invaluable to me. My Co-Chair Lynne Gudin also was a wonderful asset. I am in awe at the response from our Key Clubbers, Sumi Shrestha, President of the Rio Rancho Key Club, stepped up and took charge of the Ticket Takers and Greeters and did a wonderful job. I also thank the rest of my committee for their support. A special thanks to Cookie Emerson who donated all the supplies for the table centerpieces.

I could not have done this job without the support of the clubs in Division 2, thank you all. This has been an eventful year, however we accomplished all we set out to do and had fun together.

I wish the next chairman of the convention luck and I am always available if needed.

Susan Hinchcliffe,
Convention Chair and Lt. Governor Division 2

Kiwanis Clothes for Kids needs your help! All Kiwanis fundraisers have been cancelled or postponed this year due to COVID, (Riverfest Duck race, Annie at the Civic center, Pancake breakfast and Dining with the Dead)

We are reaching out to the community asking for your help. Each year, since 2006, Kiwanis takes 300 San Juan County elementary age children shopping at Target for $100 each for new school clothes. This year the need is greater than ever as many parents have lost their jobs. Our goal is to raise $10,000 to help our underprivileged children. The total cost of the program is $30,000. With your help, we will provide clothing for as many children as possible.

**Club and Districts Grants**
- Supporting clubs that need financial assistance with their projects. Kiwanis clubs are currently making masks, delivering food to health care workers, and making sure kids have the technology they need to learn from home.

As an added bonus, the District receives 15% of all donations made to the Children’s Fund in the form of a District Grant. Our District Grant supports Key Club activities, CKI activities and scholarships in honor of Kayla Mueller. Your continued support and generosity continues to amaze us!!

Thank you for all you do for children,
